To: Parents and skaters of CPACC

From: Executive Committee

Subject: "Guest Skates"

When a skater "Guest Skates" to receive a dance lesson, the lesson must be given during the Dance session. If the skater also wants a Free Skate lesson, another guest skate must be done and the lesson must be given during the Free Skate session. The same applies for a lesson during the Skills session.

There is a maximum of 6 "Guest Skates" per skater during the season, after that the skater has to register.

The fee for "Guest Skates" for a member of CPACC between September and March are:

15 minutes = 5,00 \$

30 minutes = 10,00 \$

45 minutes = 15,00 \$

50-60 minutes = 20,00 \$

The fee for "guest skates" between April and June will be at a higher rate since the ice fees are significantly higher than during the regular season.

24 hours notice is required. Please contact Nathalie Whittaker at 613-488-3236.

Payment must be given to the StarSkate Director (Nathalie Whittaker) before the session starts.

Sincerely,

Your Executive Committee
